Your Guide To The Future Of Purebred Swine

Building A Foundation That Lasts

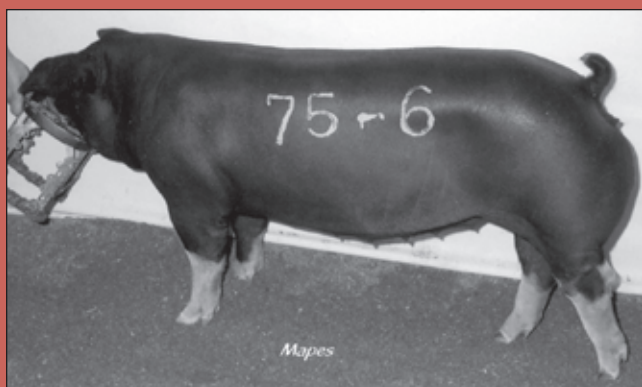

'07 STC 2nd Class 2 Gilt

Thanks to KC Farms, Ken Bauer, for your \$1450 purchase of this 1-1 Tomahawk x Crazy Horse daughter at Springfield. Appreciated for her rib, length, structure and balance, she'll be a great addition to one of the breed's best herds.

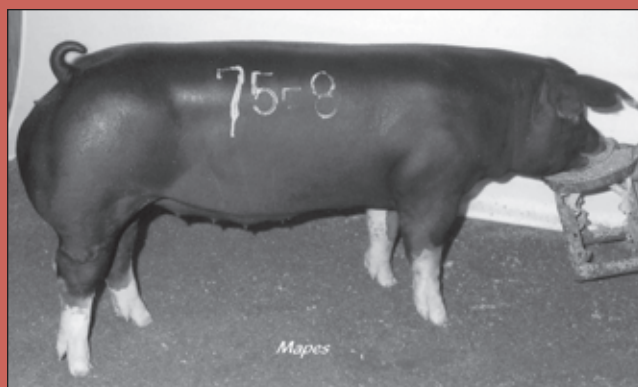

'07 STC 4th Class 3 Boar

Thanks to Stephanie Hollis, TN., for your confidence in this 4-3 Tomahawk x Crazy Horse son at Springfield. The bone work, width, skeletal correctness and length of body will be consistent to work with.

'07 STC Reserve Herdsman Gilt

A big thank you to Mark Goodson & Lauren Hahn for selecting this \$1300 Tomahawk x Crazy Horse stress negative female in Springfield. Can you paint a picture of one with more balance, length, rib and levelness with a great underline? We have great confidence in her ability to generate.

'07 STC Top-selling Open Gilt

This 4-8 Tomahawk x What daughter was extremely popular at Springfield for her extension of skeleton, length of neck, immaturity, muscle shape and flexibility. A sincere thanks to Don Look, IL., for your \$1700 selection and for the confidence in our breeding program.

The Next Great "Building Block" To Our Future — "Bases Loaded"

\$37,000 Top-selling Boar at the 2007 STC

We're honored to be an owner with 7 of our Poland friends on **Bases Loaded**. Simply put, he is the best Poland China boar that we have ever seen. He'll be put to test on many of the breed's best sows, including our best, and we'll see what happens. We believe strongly he'll be a GREAT ONE!

Thanks to Baby Blue Show Pigs, CO, for their purchase of this Titan son. This very immature boar is big boned, stress negative and will prove to be a wise investment for his new owner.

Congratulations to Sarah Hardman, IL, on her show success with this December daughter of Titan. Sarah also successfully showed another Titan daughter this summer on the Illinois Show Pig Circuit.

Congratulations to Cody Iberg on his success with this littermate gilt to the one pictured to the left. This gilt was a many-time champion this summer.

A Breeding Program For Superior Meat Quality

All of our market pigs are sold directly to a specialty pork business. This provides direct customer feedback on pork product quality. Meat customers pay premium prices and expect superior pork. Sires used in our breeding program have been tested for meat quality in the NBS Progeny Tests and/or their sires and grandsires have produced superior meat quality results.

In addition, improving reproduction traits is a high genetic priority. The GFF breeding herd has been bred inside, using AI for over six years. We have intensively selected for sows with the ability to express heat and conceive inside buildings. Our breeding stock customers appreciate progress in this area as well. We can provide a complete breeding program for quality pork production.

Semen available from WB5 Breakthru 10-3, EB6 White Sox 20-3, CC4 Perfect Blend 30-5, BTC3 Hustler 16-1, and RJK6 Machine 18-7 — available at North Iowa Boar Semen (888) 797-2373.

Natural service sires are GB12 Namatjira 81-7, CC3 Freightliner 16-1, DHF3 Billy 1-4, EB6 White Sox 20-3, EB6 Canyon 21-3, EB6 Canyon 21-4, GFF4 Wide Open 231-2, GFF6 Wide Open 60-5, GFF6 Namatjira 94-5, and Endsleigh Namatjira.

Thanks to the ABA Board members for their efforts to help Berkshire Breeders.

The POWER of TWO

SUGAR RAY

Sugar Ray offers an unprecedented combination of width, bone, rib and muscle with a super look. He is sired by Blackcat, who's most recent accomplishments were siring the 2007 Houston Reserve Champion Barrow and the 2007 Oklahoma City Champion Gilt.

Sugar Ray's mother is a daughter of the infallible and unparalleled Jaguar. And she was named the 2004 San Antonio Champion Poland Gilt.

Heavy boned, wide based and balanced, with flawless skeletal integrity and real power describe this astounding young boar.

The Knock Out Punch you are looking for!

GET IN LINE

Get In Line is the \$7,500 Champion Boar from the 2007 World Pork Expo -- owned with Heldermons. This one has us excited. His mother is the outstanding Fowler sow that was the 2006 WPX Reserve Champion. His sire is Blackcat.

Get In Line is perfectly balanced, wide based and muscular. He offers incredible rib shape, bone and power. His feet and legs are correct and on the corners with the correct set and angle to his hock and pastern. Get In Line's correctness, width, balance and muscle make him the most exciting barrow-oriented boar we have worked with in some time.

2007 Poland China World Pork Expo Report

More Than Numbers — It's The Quality

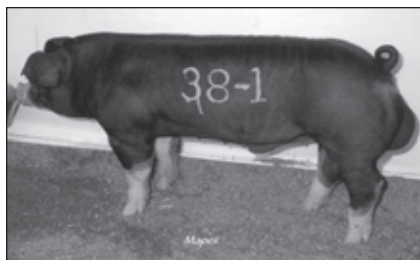

The 2007 Poland China breeding stock show held June 8 in Des Moines, Iowa, during the World Pork Expo offered exciting quality, although it lacked numbers. 17 head of Poland China boars and gilts, consigned by 9 exhibitors from 5 states, took the extra effort to travel to Des Moines with the best their herd and breed had available. My sincere thanks to each of you that took the leadership role by participating at the World Pork Expo. Your fellow breeders owe you a sincere thank you.

The quality was much improved over 2006 and the challenge has been given that 2008 needs more participation from each of you. The market is there for you to capture.

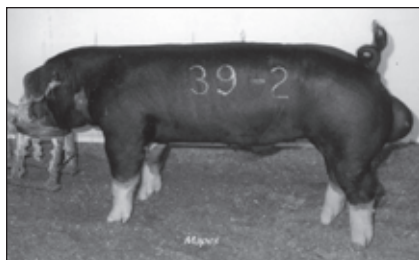

A sincere thanks to Raymond Rice for his professional and powerful job of judging this set of hogs. Mr. Rice accurately analyzed the hogs and was a positive influence to the breed. Thanks again, Raymond, for your contributions to the breed. The Champion Boar was selected as the Class 1 winner shown by first-time exhibitor Kye Heldermon. This Black Cat son out of the 2006 WPX Reserve Champion Fowler gilt was a true breeding hog. Combining extra length, levelness, width, attractiveness, forearm, balance, and structural correctness, this outstanding Champion sold to Rice and Heldermon for \$7000. The Reserve Champion Boar was Fowler's 1st Class 2 son of X-treme. Possessing extra length, levelness, length of neck, and balance, this guy sold to Donnie Hobrock for \$500. Siwinski's 1st Class 3 son of Blue Ball was a big scaled, big bladed, wide based, big forearmed guy. Tucker's 2nd Class 1 son of Tomahawk was extended, raw and shapely. Mills' 2nd Class 2 son of Warpaint was deep bodied, muscular, and masculine headed.

A powerful Poland female was selected as Champion. Masters' 1st Class 1 daughter of No Doubt combined rib, bone, soundness, femininity, and balance. A great combination for Heldermon Show Pigs, who selected her for \$1700. Mills' 1st Class 2 daughter of Warpaint was selected Reserve. This thick hipped, deep, level, square topped female sold for \$300 to Vernon Hawthorne. W&W's 1st Class 3 Godfather daughter was extra deep, thick rumped, and heavy structured. Tucker's 2nd Class 1 gilt by Tomahawk was extremely maternal looking, tall fronted, and sound, selling to Tucker Polands for \$325. Simpson's 2nd Class 2 gilt by No Doubt was deep, heavy boned, and good fronted. W&W's 2nd Class 3 Sunrise sired female was extremely deep and wide, selling to Olson's for \$300. Musicks had a pair of extra long, feminine, sound Boy George stress negative daughters in Class 1. Jerry Reid saw the value in the 3rd place gilt at \$200. Fowler's 3rd Class 2 daughter of X-treme was possibly the longest necked, longest spined female at Des Moines, selling to Olson's for \$300.

Congratulations, Poland breeders, for accepting the challenge and making the trip to Des Moines, Iowa, on June 8 and 9. The industry needs quality Polands, and there was nothing wrong with those shown in 2007. If you're serious about making an impact, plan to participate at the 2008 Poland China World Pork Expo breeding stock show.

ATTENTION CPS Breeders

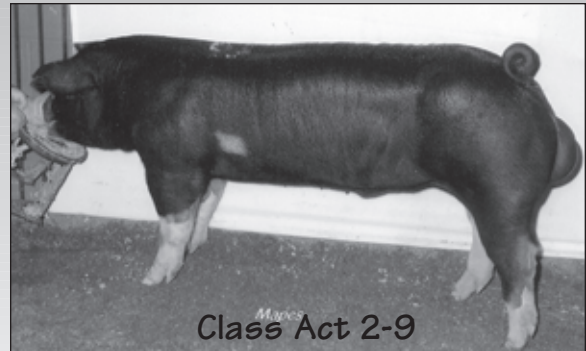

The CPS office is more than happy to process your recording and transfer work on a daily basis. However, we are encountering numerous problems with producers who fail to send in appropriate fees and/or submit these fees to the appropriate breed registry.

The three breeds with CPS have different rates and fees and operate with different bank accounts. When sending in work for multiple breeds, please submit proper payment to each breed, not CPS.

If credit card is your form of payment, please submit the type of card you are using, account number, expiration date, and three-digit security code on the back. We continue to operate on a cash-only basis and will continue to get your work done the same day we receive it, IF all paperwork and payment is complete. Thank you for your cooperation.

WE HAVE WHAT YOU'RE LOOKING FOR

We strive to sell you **Quality**, not Quantity. Our fall litters will be available at the farm. Call today or plan a visit to view our offering.

Climb The Mountain

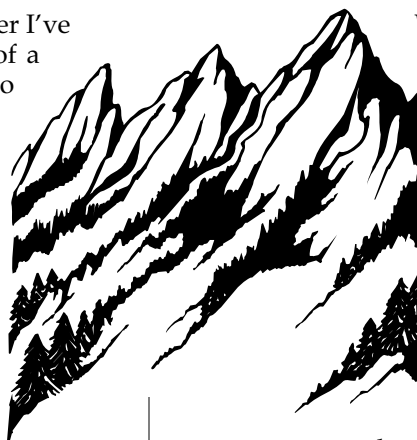

by Jack Wall, CEO
Certified Pedigreed Swine

An athlete I am not, and a mountain climber I've never dreamt to be. The view at the top of a mountain is certainly a pleasant one, no matter how you got there. You can see long distances into the horizons and fantasize about how to conquer the world and solve all of the world's problems.

Purebred swine producers have had a lot of obstacles thrown their way the past 10 to 15 years, but have always cleared the obstacles and made a better tomorrow. CPS breeders have perhaps had more hurdles than others because of the closed-minded mentality of individuals that had no use for Chester White, Poland China and Spotted genetics, or even the breeders of these hogs. Hard work, dedication, and progressive thinking has mandated these so-called "leaders" to either change their opinions, seek cover, or disappear from the swine professional ranks.

The year 2007 has seen a steady ascent to the top of the mountain. The enthusiasm for CPS breeds at the World Pork Expo and Summer Type Conference gives more validity to the value and enthusiasm for Chesters, Polands and Spots. The participation level and strength of quality in both of these events' Junior shows was outstanding. The interest level of these three breeds in their respective breed sales was reinforcement that many breeders have faith in their breed's future.

Breaking records is not my basis for improvement. My baseline is an improved set of hogs from 12 months previous. My baseline is an increased level of participation, an increase in number of consignors, an increase in new participants, and an increase in socialization and exchange of ideas amongst breeders. It was interesting to see the numbers of Spotted and Poland breeders watching the Chester boar show at Des Moines, the number of Chester and Poland breeders discussing the Champion Spotted Boar at Des Moines, and the number of Chester and Spotted breeders getting the Poland boars out of the pens in Springfield.

We all have work to do, we cannot be satisfied with climbing half the mountain. We must provide superior purebred barrows and gilts for Team Purebred members. We must provide more fast growing, structurally correct, properly muscled, wide based, bigger skeletoned, productive boars and gilts for breeders to utilize. Providing all of these traits will benefit you and your fellow seedstock producers.

You will have a hard time convincing me or any of the three breeds' Board of Directors that we have not provided a forum and a program that has not benefitted each of you. We've got pig sales, pig shows, performance programs, stress levels, DNA and recording incentive programs that can and do fit anyone's program. We offer a website that keeps you informed of association happenings, a message board for the exchange of ideas, a detailed show and sale catalog to keep current with National shows, and a magazine to allow breeders to showcase their genetics and contributions to the breed.

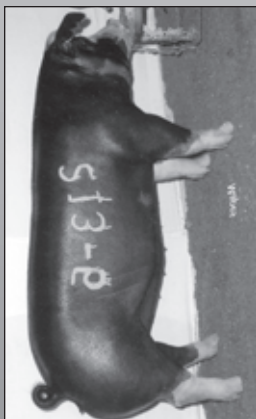

The climb to the top of the mountain is beginning to get easier because we have more friends walking beside us. If we begin to tire or fatigue, our fellow breeders will pick us up. Team Purebred members will be our biggest cheerleaders as they are counting on us to provide them with the genetics, resources and programs they need to compete.

The view from the top will be enjoyable and historic. It will be crowded at the top, but we want it no other way. We want our friends, competitors and leaders to be with us to share the moment.

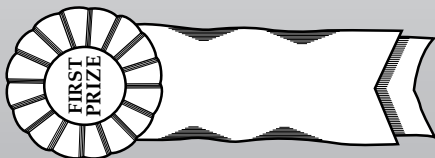

2007 has been an incredible year genetically and financially for most of you. You've battled high feed and fuel costs, and have survived successfully. Clear the way of all obstacles and climb the mountain with us.

PCRA President's Message

A great 2007!

by J.R. Reid
Poland China Record Association Board President

On behalf of your board of directors, "Thank You" for a great 2007! Your positive attitudes have made it better for all of us. Also, a big welcome to the new members in our fraternity and to our new members with "Team Purebred"! A big thank you to our CPS staff -- your sincere dedication is very much appreciated!

We hope to see you at our Annual Meeting in Austin, Minn., at the "NBS," September 11, 2007. Let us know if we can help your families in any way, and thanks for all your future support!

PCRA Board of Directors
J.R. Reid, President

Boar viewing at 1 p.m.

Plan to join us on September 1 as we open our facilities to our customers, friends and industry partners. We've worked hard to assemble a boar battery that offers great genetic advancement and we're pleased to extend this invitation to visit Center Prairie Genetics.

Open House located just north of Wyanet at 15602 Wyanet-Walnut road. Detailed directions available on our Web site.

Semen drawing to be held following the viewing of the boars.

2007 POLAND CHINA SUMMER TYPE CONFERENCE

It's A Grand Slam In Springfield

It should not be a surprise to dedicated Poland China breeders that success will follow those that work diligently, are progressive, and are open-minded towards breed improvement. Mark June 30, 2007 and Springfield, Illinois, down as a historic event for the Poland China breed. The 2007 Summer Type Conference ranks as one of if not the most remarkable events in Poland China history.

An elite set of boars, bred gilts and open gilts awaited Judge Randal Buck to evaluate. No one could have done a better job than Randal working the classes, discussing them in an accurate manner, and then promoting them to the huge group of spectators. Thanks, Randal, for a great job at Springfield.

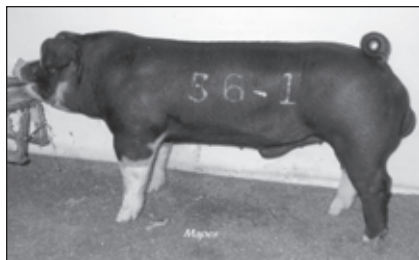

The Champion Boar was ALF Livestock's 1st Class 3 son of Indian Larry. This extra wide chested, heavy boned, thick hipped, big forearmed, massive bladed boar got a new home in Champaign, Illinois, with Prairie State, Zedeker, Stephens, and Edwards at \$23,000. He is now named "Holy Cow." The Reserve Champion was a first time Poland exhibitor, Jerold Mishler & Family. Sired by Boy George, this extra long sided, attractive, thick hipped, wide based, heavy boned guy is also available to the breed at Triple B Sires, who invested \$8600 in the Poland breed. The 3rd boar in the sale ring was ALF's littermate to the Champion. If length of body, mass, bone, rib and flexibility are your needs, you agreed with Center Prairie Genetics, Tucker, Mills, Look, Howell, Edwards and Hahn, who invested \$37,000 in "Bases Loaded." Mills Champion Herdsman Boar by Excursion was extra stout, wide, deep and massive. Greg Powell and W&W Polands made a great \$400 buy here.

Hobrock's 1st Class 4 son of Voodoo Love excelled in length of body, bone, soundness and balance, selling to Fowler Polands for \$2900. Fowler's 1st Class 4 son of X-treme was long sided, long boned and flexible. Rinker's 3rd Class 3 son of Quik-Fix was as long sided, muscular and attractive as any, selling to KC Farms for \$2800. Burchfield's 2nd Class 1 son of Masterpiece was complete, sound and stout, selling to Barnett's for \$1350. Edward's 2nd Class 2 son of Triple Threat was extra muscular and balanced, selling to Dean Morris for \$1000. Tucker's 4th Class 3 son of Tomahawk was long sided, big ribbed and sound, selling to Hollis for \$350. Hobrock's 3rd Class 2 (littermate to classwinner) son of Voodoo Love was big outlined and long hipped, selling for \$350. A popular son of Extreme Makeover was Culver's 7th Class 3 stress negative boar. Moldenhauer appreciated the bone work, growth, muscle and soundness in this one, selecting him for \$2900.

Two excellent, and I repeat excellent, bred gilts were exhibited. The Champion was Masters' No Doubt daughter bred to High Definition. This skeletally big, sound, correct, extra feminine female sold to Kenneth Ramsey for \$900. Mills Brothers' Leading Edge daughter was popular carrying the services of Premonition. If one wants width of base, true Poland muscle, and a great underline, this \$875 Musick purchase had it.

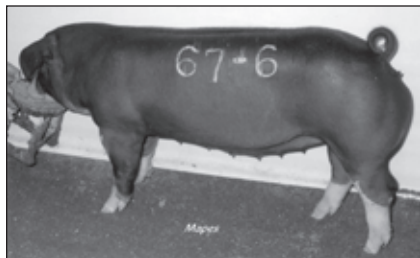

ALF Livestock's 1st Class 3 and Champion Boar. 1-4 by HCC5 Indian Larry 1-2 x DDE4 Hyper Fix 3-2. 295#, .57, 9.20, 1.75. Sold for \$23,000 to Prairie State Semen, Zedeker Polands, Stephens Farm and Derrick & D.J. Edwards.

Mishler's 1st Class 1 and Reserve Boar. 14-1 by LMR5 PSSS Boy George 9-1 x RJM4 Creation 10-6. 260#, .44, 7.90, 1.78. Sold to Triple B Sires, OK. for \$8600.

Premier Exhibitor Award was presented to Tucker Polands, IA. Congratulations to Bill and Alden on your tremendous success at Springfield.

Masters' 1st Class 1 and Champion Open Gilt. 5-1 by DDE4 Masterpiece 3-1 x C&M4 Expansion 1-1. 290#, .70, 8.50, 1.75. Sold to Reid & Collins, MO. for \$1600.

Howeth's 2nd Class 1 and Reserve Open Gilt. 7-12 by KTB5 No Doubt 10-1 x KWB3 PSSS Bling Bling 5-10. 250#, .53, 7.10, 1.53. Sold to ALF Livestock, IL. for \$725.

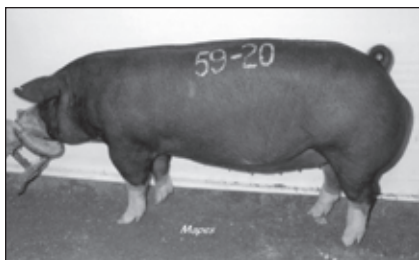

Dan Lane, representing Hawkeye Community College, and Zedeker Polands receive the Poland China Premier Sire Award on progeny sired by HCC5 Indian Larry 1-2. Congratulations.

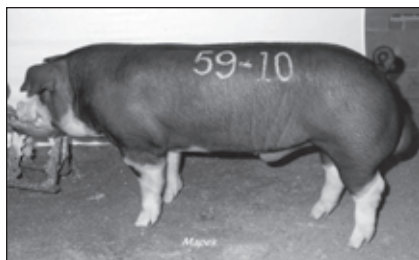

The Champion Open Gilt possessed all the positive traits one can articulate. Being tall fronted, sound, long and level, and having bone, muscle, underline quality, growth and balance, this Masterpiece daughter shown by Masters had it all. Congratulations to Reid & Collins for selecting her for only \$1600. The Reserve Gilt was exhibited by Junior member Matt Howeth on a daughter of No Doubt. This well balanced, long bodied, level, sound female sold to ALF Livestock for \$725. McWhinney & Yeazel's 1st Class 3 daughter of Gambler was long bodied, level, deep, sound and feminine, selling to Courtney Nagel for \$275. Pullan's 1st Class 2 daughter of Indian Larry had balance, rib and an attractive look, selling to Raymond Rice for \$225. Reid's Champion Herdsman Gilt by X-treme was long fronted, feminine and extra sound, selling to ALF Livestock for \$675. Tucker Polands had a trio of Tomahawk daughters that were popular by ring side observers. Standing 2nd in Class 2, this big ribbed, easy growing, sound, long hipped female sold to KC Farms for \$1450. The Reserve Champion Herdsman female had the same length, depth and flexibility, selling to Lauren Hahn for \$1300. The 3rd Class 1 gilt was the \$1700 top selling gilt to Don Look.

Additional popular Poland females were shown by Knight, W&W, Dixon, Moldenhauer, Rincker, King, Edwards, Fowler and Arnholt.

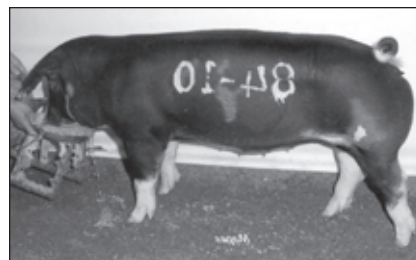

Summarizing this exciting set of Poland hogs is easy. They were deep in quality, fault free in their skeletons, big enough in their kind and offered a wide variety of genotypic variances. The Poland breed is back in a big way, and the PCRA staff thanks anyone who assisted with this event in any manner. Wear your hats proudly and carry a big smile when you venture to town and tell your friends you were an integral part of a "Record Making" event.

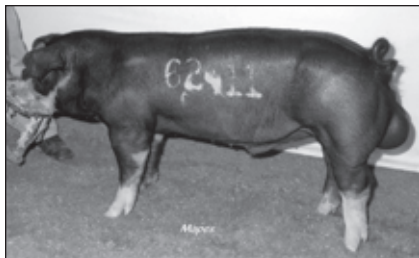

Mills' Reserve Champion Bred Gilt. 9-9 by MPB4 Leading Edge 3-2 x HHF2 Bow Flexx 1-4. Sold to Maissie Musick, IL. for \$875.

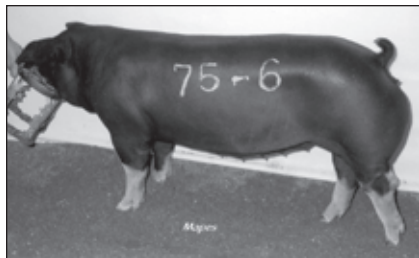

Mills' Champion Herdsman Boar. 13-1 by DDE6 PSSS Excursion 6-4 x HCC5 Indian Larry 1-2. 260#, .63, 7.90, 1.82. Sold to Greg Powell, IN. and W&W Polands, IA. for \$400.

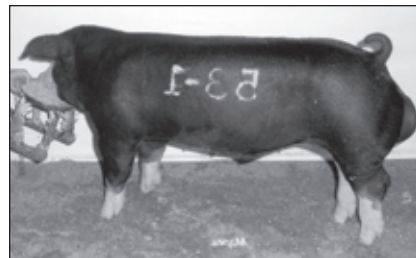

Reid's Champion Herdsman Gilt. 5-9 by WJF4 X-treme 13-3 x C&M4 Expansion 1-1. 260#, .41, 6.90, 1.51. Sold to ALF Livestock, IL. for \$675.

Kercheval's Reserve Champion Herdsman Boar. 1-9 by KKK6 Extreme Makeover 3-7 x RJM4 Creation 1-5. 270#, .49, 6.90, 1.60.

Tucker's Reserve Champion Herdsman Gilt. 1-2 by CPC6 Tomahawk 2-7 x JWP3 Crazy Horse 10-3. 280#, .88, 7.30, 1.66. Sold to Lauren Hahn, IL. for \$1300.

Hobrock's 1st Class 2 Boar. 3-1 by 5 PSSS Voodoo Love 2-2 x Max 1 Score 1-6. 290#, .71, 6.70, 1.77. Sold to Fowler Polands, WI. for \$2900.

In Memory of Frank Burbrink

This outstanding young swine breeder lost his life in a tragic car accident May 27, 2007. Frank is pictured to the left with his reserve champion Poland barrow at the NAILE. He was an active member of 4-H, FFA, the Junior Fair board, and many other activities. Frank will be greatly missed by family, friends, and the entire community.

Frank's Poland barrow entry for the Bartholomew County Fair, exhibited by his family and friends, was named Champion Poland and Reserve Grand Champion in the county born and raised class.

Frank was a great help to us in our swine operation, and was planning to include Polands in his growing sow herd.

Congratulations to all of our customers on their success this summer with their 4-H projects. We have heard about several champions already!

2007 Fall Classic

WEANLING PIG ENTRY REQUIREMENTS

Attention: All weanling pigs for the 2007 Fall Classic must be entered through the NSR office.

GENERAL INFORMATION

Entry fees for all entries must accompany the respective entry form and all late entries will be charged double the regular entry fees. All entry fees are non-refundable.

The NSR reserves the right to close entries because of pen space limitations any time after the printed deadline. **Entry deadline: All entries must be postmarked by Oct. 12, 2007.**

All entries must be recorded by Nov. 2, 2007. After that date, exhibitors will be charged a rush fee.

All weanling pig entries must be checked in by 11 a.m. on Thursday, Nov. 15. All pigs selected for the respective sales (female and male) must be offered for sale.

All exhibitors must be active members of their respective breed association(s) or must pay the \$75 Fall Classic participation fee. An active member must have recorded at least one litter in the 2007 fiscal year.

HEALTH REQUIREMENTS

Only exhibitors who have consigned animals to the Fall Classic will be allowed to bring additional animals onto the Stephens County Fairgrounds in Duncan, OK. However, these additional animals must abide by the same health requirements imposed on the Fall Classic entries.

Reminder: All exhibitors transporting additional animals will be required to obtain an official "Sales Permit" from the Oklahoma Department of Agriculture staff when entering the Stephens County Fairgrounds.

Before leaving the Stephens County Fairgrounds, this permit must be returned to agents of the Oklahoma Department of Agriculture, with a detailed buyers list documenting the destination of each animal (including pre-purchased deliveries, parking lot sales, and sifted weanling pigs).

HEALTH REGULATIONS

All animals (breeding stock and weanling pigs) entering the Stephens County Fairgrounds must meet the following health regulations:

1. Two copies of an official interstate health certificate must accompany each animal from the state of origin, issued by an accredited veterinarian. Certificate must show name and address of consignor; consigned to the Fall Classic, Duncan, OK. Certificate must show the following.
 - A. All animals must be tested for Pseudorabies (PRV) and Brucellosis after Oct. 20, 2007, unless they come from a PRV qualified and Brucellosis validated herd. Swine tested for PRV and Brucellosis must show the date blood sample was drawn (month, day and year). If the herd of origin is PRV qualified and Brucellosis validated, individual testing of the swine will not be required. In this case, the PRV qualification and Brucellosis validation numbers must appear on the health certificate and complete date (month, day and year) must be stated on certificate.
 - B. All animals must be vaccinated for 6-way Lepto (bratislava included) on or after Oct. 20, 2007, with vaccination date listed.
 - C. Permit number. The accredited veterinarian may obtain permit number by calling the Oklahoma Department of Agriculture at 405-522-6141. This is a 24-hour number.
2. All certificates must be issued on or after Oct. 20, 2007.
3. Certificates are not required to be state stamped.
4. Prior to unloading, state officials will inspect animals and health certificates.
5. These rules are the same for breeding stock and weanling pigs.
6. In some instances, these rules are in addition to Oklahoma regulations, but are necessary to sell animals into some states.

**New this year: your driver's license number must be included on your health papers.
Also, crossbred animals must have a state ID tag.**

FALL CLASSIC RULES & REGULATIONS

(Entry Deadline: All entries must be postmarked by October 12, 2007)

- A. **No clipping allowed in barns.**
- B. Same health requirements as breeding stock.
- C. Should weigh between 40 and 70 pounds (not required).
- D. It is recommended not to dock tails.
- E. All purebred weanling pigs that show in the purebred class must have a pedigree that accompanies each entry.
- F. Entries are open to all eight breeds and all crosses. Classes will be divided by breed, sex and the number exhibited.
- G. There is a limit of 6 weanling pigs (barrows, boars, or gilts) per exhibitor. Weanling pig entries **CAN NOT** and **WILL NOT** be accepted at the show!

2007 Spotted World Pork Expo Report

“Spots or Stars” — You Make The Choice

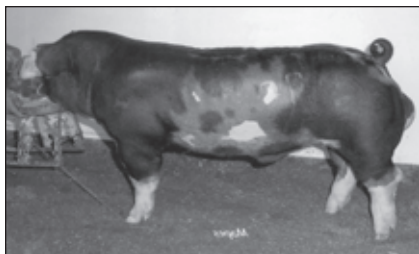

The Spotted breed has certainly made tremendous strides the past several years. Interest has been generated because breeders have concentrated on soundness, muscle, bone, width, and balance. A huge crowd gathered around the sale ring in Des Moines, Iowa, on June 9 to appraise a high quality Spotted offering at the World Pork Expo.

J.R. Armstrong was given the task of putting together the sale line-up. J.R. did a good job of utilizing Spotted boars and gilts that combined soundness, proper frame size, width, bone, and yet mass. Thanks to Mr. Armstrong for successfully and professionally assessing Spots in Des Moines.

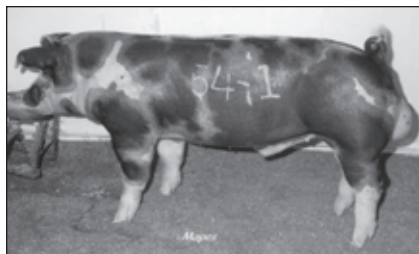

The 2007 WPX Champion Boar had lots of positive traits in his repertoire. Possessing outstanding length of body, width of chest, bone, blade, muscle, and soundness, this Mark Hurd stress negative son of Big Papi sold to Lean Value Sires for \$11,000. The Reserve Champion Boar was Brazel's 1st Class 1 son of Diamondback. This attractive, tall fronted, well balanced, sound footed boar will be a great addition to Lazarus Bros. herd at \$600. Murphy's 2nd Class 2 son of Dark Side was a littermate to an exciting Reserve Champion Gilt we'll talk about later. This long sided, level hiped, big bodied, easy growing, loose structured boar will breed better Spots for Eric Benhart who selected him for \$350. Olson's were 1st in Class 3 with a real complete, long sided, extended son of Commander In Chief. He was selected by Browns & Jeffers for \$900. Pierce's 2nd Class 3 son of Grand Design offers length, extension and balance to Johnson Spot Farm. Wedekind's 4th Class 2 boar was sure footed, level, and balanced, selling to North Carolina and selected by Cody Worley for \$450.

A powerful set of Spotted gilts were appraised by the large crowd. The Champion Gilt was Sharber's 1st Class 4 daughter of Mainland. Excelling in volume, balance, hip, flexibility, width, and skeletal size, she was purchased by Tim Marek for \$3300. Murphy Farms exhibited the Reserve Champion after winning Class 2. This Dark Side daughter was extremely feminine, bold ribbed, sound, balanced, and long hiped, selling to H4 Farms for \$1100. The Class 1 winner was Wedekind's Mountain daughter that was tall fronted, level, square hiped, and sound, selling to Tom Gilmour for \$500. Kemps were 2nd in Class 2 with a tall fronted, deep, thick ended daughter of Bon Jovi, selling to Jim Coakley for \$500. Behnkendorf Bros. were 1st and 2nd in Class 3 with Bargain daughters that were fault free, deep and flexible. The class winner was purchased by Andy Paszkiewicz for \$200, and the 2nd place gilt selected by Benhart for \$250.

A littermate to Sharber's Champion was 2nd in Class 4, and this extremely thick hiped, wide based female sold to Matt & Tammy Miller for \$700. Johnson Spot Farm and Olson Spot Farm had a pair of exciting gilts lower in the sale order. Johnson's were 3rd in Class 3 with a heavy structured, extra sound daughter of Force, selling to Ron Pierce for \$400.

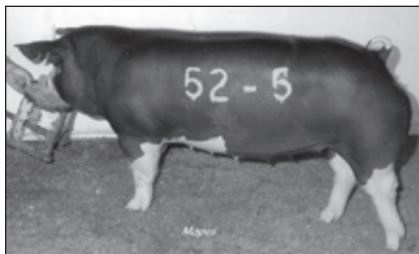

Hurd's 1st Class 1 and Champion Boar. 60-6 by MWB5 Big Papi 6-1 x ZSF4 World Wide 6-1. 350#, .75 BF, 9.30 LEA, 1.78 WDA. Sold to Lean Value Sires, OH. for \$11,000.

Brazel's 1st Class 1 and Reserve Boar. 1-3 by MR5 Diamondback 43-2 x RRA3 PSSS Gettin' Busy 61-2. 220#, .44, 6.10, 1.42. Sold to Lazarus Bros., PA. for \$600.

Sharber's 1st Class 4 and Champion Gilt. 3-2 by JKF5 Mainland 3-7 x DFD3 One Giant Step 3-4. 370#, .85, 9.60, 1.49. Sold to Tim Marek, IA. for \$3300.

Murphy's 1st Class 2 and Reserve Gilt. 54-2 by JAB12 The Dark Side 1-6 x CDK2 Amazing 2-6. 320#, .72, 9.40, 1.70. Sold to H4 Farms, IN. for \$1100.

Olson's 1st Class 3 Boar. 25-1 by LSF15 Commander In Chief 10-10 x NBS2 Oklahoma Bandit 60-7. 355#, .52, 10.70, 1.48. Sold to Mike & Ron Brown and Dennis Jeffers, IL. for \$900.

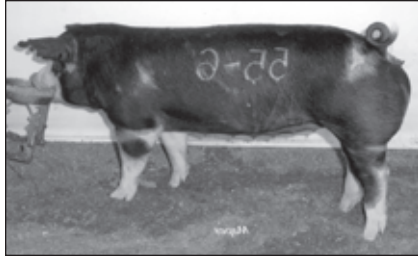

Wedekind's 1st Class 1 Gilt. 26-8 by MMB5 Mountain 18-11 x 2 Black Ice 3-4. 265#, .74, 7.90, 1.51. Sold to Tom Gilmour, IL. for \$500.

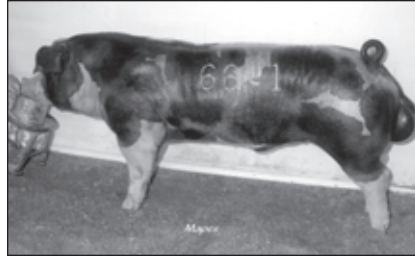

2007 Spotted World Pork Expo Report

Olson's were 4th in Class 4 with a long bodied, level made, heavy boned, extra sound statured daughter of Commander In Chief. This stress negative female sold to Matt & Tammy Miller for \$2000. Wedekind's 5th Class 4 daughter of Big O was well balanced, feminine, and complete, selling to Johnsons for \$450.

Better Spotted hogs will result in the progeny from hogs selected in Des Moines. The need for better hogs is never-ending. We must keep them sound, balanced, with proper muscle, rib, bone, and skeletal size. Make plans to participate in the 2008 World Pork Expo Spotted Show. You will be rewarded for your dedication.

Farrer's 2nd Class 1 Gilt. 52-9 by DLM15 Fast Trax 10-1 x KAW4 PSSS Unleaded 16-2. 220#, .62, 6.80, 1.29. Sold to Jeff Hansen, IA. for \$225.

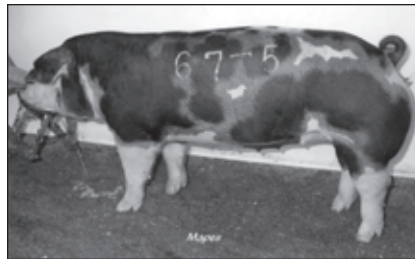

Pierce's 2nd Class 3 Boar. 40-1 by MR5 Grand Design 28-2 x RRA3 PSSS Gettin' Busy 61-2. 355#, .70, 10.50, 1.64. Sold to Johnson Spot Farm, NE. for \$350.

Nye's 3rd Class 1 Boar. 3-7 by BJB5 Sudden Fury 16-3 x REM4 Freight Train 10-6. 210#, .37, 7.70, 1.48.

Johnson's 3rd Class 3 Gilt. 3-2 by JF16 Force 3-4 x JF13 2 Force 1-9. 295#, 1.00, 7.70, 1.53. Sold to Ron Pierce, OH. for \$400.

Olson's 4th Class 4 Gilt. 25-9 by LSF15 Commander In Chief 10-10 x NBS2 Oklahoma Bandit 60-7. 355#, .85, 8.60, 1.48. Sold to Matt & Tammy Miller, IL. for \$2000.

STAY COOL DURING THE DOG DAYS OF SUMMER!

2007 SPOTTED SUMMER TYPE CONFERENCE

Springfield Brings Spotted Power Ring Side

The Spotted breed remained in the spotlight at the 2007 Summer Type Conference held June 28-30 at the Illinois State Fairgrounds in Springfield, Illinois. Spotted enthusiasts exhibited a set of boars and gilts that offered excellent growth, proper frame size, bone, mass and muscle. A wide variety of genetic combinations were available to select from, and progressive Spotted enthusiasts made wise buying decisions.

Jim McCoy was given the chore of judging the 2007 Spotted shows, and as is his usual custom, Mr. McCoy confidently and professionally performed his duties. Thanks, Jim, for a job well done. Armstrong Genetics exhibited the Champion Boar with their Class 3 son of High Hope. If the Spotted breed is in need of utilizing a big, easy growing, long sided, thick hipped, bold topped, stress negative herd sire, he resides at Shaffer's Gold Rush for a \$9000 investment. Bontrager's 1st Class 1 son of Down In Flames was an extremely wide based, big forearmed, thick topped, wide hipped boar selling to Top Cut Sires for \$9000. Armstrong's 1st Class 2 son of Move N' On was a big footed, heavy boned, big forearmed, extra sound boar selling to Marvin Shipley for \$800.

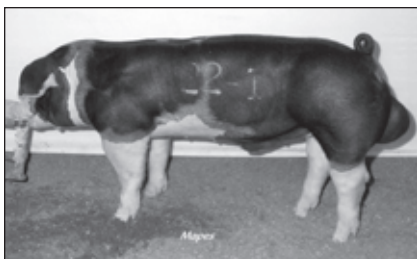

Hazelett & Milner's 2nd Class 3 son of One Giant Step was as thick and stout as any with a big blade and rib. Mike Milner selected this breed changer. Chapman's 2nd Class 2 son of Home Brew was especially long bodied, level, long necked, with a great underline. Hobrock was 2nd in Class 1 with a Big Time son that was heavy boned, sound and long, selling to Gene Aldridge for \$625. Miller's 3rd Class 1 son of Titan was young but futuristic. Combining bone, width and balance, he'll breed better Spots in Colorado for Baby Blue Show Pigs for \$400. Olson's were 3rd in Class 3 with a great profiling, well designed, long fronted, sound son of A To Z, selling to C&M Spots for \$575. A competitive set of boars were consigned by Brown, Miller, RTS, Olson and Wedekind.

The Champion Spotted female was exhibited by Armstrongs on their 1st Class 3 daughter of High Hope. Big, bold ribbed, tall fronted, muscular and sound — these will be the traits that Garrett and Amanda Reid will utilize for \$750. Chapman's Reserve Champion Gilt also came from Class 3. This Hot Spot daughter was complete, long, level, and heavy boned, selling to Tom Gilmour for \$425. Pullan's 1st Class 1 daughter of The One was balanced, meaty, heavy boned, long and level, with a great underline. She sold for \$975. RTS was 1st in Class 2 with an extended, long, level, great underlined King Ranch daughter, selling to Hellebust for \$300. Robb's 2nd Class 2 daughter of Stayin' Busy was one of the bigger bodied, leveler, sounder females shown, selling to Dalton Iocca for \$275.

Chapman's 2nd Class 1 gilt by Home Brew was tall fronted, long and feminine. Reid's selected this contributor for \$300. Wedekind's had a pair of Mountain sired gilts that were big bodied, big ribbed and sound. Jason Loy purchased both of

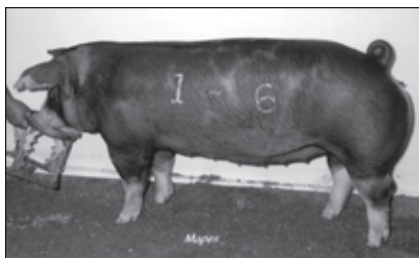

Armstrong's 1st Class 3 and Champion Boar. 64-5 by RRA5 High Hope 67-1 x NBS2 Oklahoma Bandit 60-7.395#, .85, 10.40, 1.91. Sold to Shaffer's Gold Rush, IN. for \$9000.

Bontrager's 1st Class 1 and Reserve Boar. 31-3 by BDF5 Down In Flames 41-8 x RRA9 Speed 19-7.250#, .36, 7.80, 1.55. Sold to Top Cut Sires, OH. for \$9000.

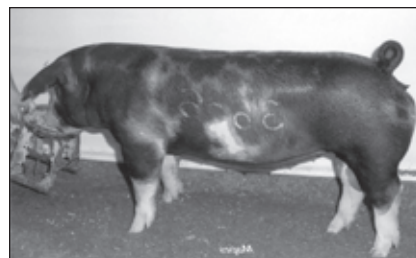

Robert Armstrong, representing Armstrong Genetics of Hunstville, Illinois, receives the Premier Sire (RRA5 High Hope 67-1) Award and the Premier Exhibitor Award at Springfield. Congratulations to the Armstrong crew.

Armstrong's 1st Class 3 and Champion Gilt. 63-3 by RRA5 High Hope 67-1 x 2 Black Ice 3-4. 335#, 1.02, 9.70, 1.61. Sold to Garrett & Amanda Reid, MO. for \$750.

Chapman's 2nd Class 3 and Reserve Gilt. 2-4 by GHS4 Hot Spot 7-5 x DFD3 One Giant Step 3-4. 260#, .64, 7.00, 1.37. Sold to Tom Gilmour, IL. for \$425.

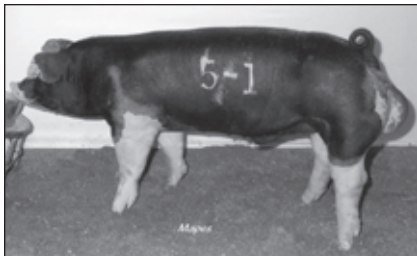

Pullan's 1st Class 1 Gilt. 5-9 by RLP5 The One 19-2 x RPRN3 E-mail 18-9. 250#, .61, 6.50, 1.74. Sold to Ryan Pullan, OK. for \$975.

these for \$250 each. The 2nd top selling gilt was Hensy's Texas Hold 'Em gilt in Class 2. This stylish, meaty, square topped gilt sold to Bob Richardson for \$800. RTS Genetics, Olson, Knolls, and Chapman all consigned Spotted open gilts that will contribute.

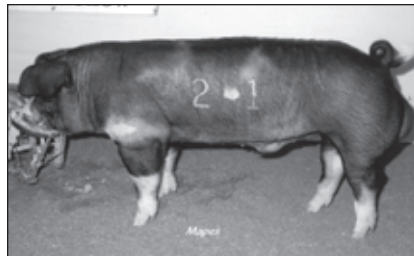

If Spotted breeders continue to pay attention to feet and leg correctness, body, structure and balance, a bright future is ahead. The breed is on the threshold of greater acceptance from youth, and is rapidly attracting breeders. Keep up the good work and you'll remain competitive.

Armstrong's 1st Class 2 Boar. 1-1 by RRA5 Move N On 67-2 x GW9 P* Wild One 10-9. 335#, .75, 9.10, 1.88. Sold to Marvin Shipley, KS. for \$800.

Hazelett & Milner's 2nd Class 3 Boar. 1-1 by DFD3 One Giant Step 3-4 x WVS4 PSSS Maui 1-1. 330#, .81, 8.70, 1.67. Sold to Mike Milner, IN. for \$425.

Miller's 3rd Class 1 Boar. 18-7 by HCC6 Titan 17-1 x REM5 WSDL Atilla 1-5. 210#, .41, 5.80, 1.44. Sold to Baby Blue Show Pigs, CO. for \$400.

Brown's 3rd Class 2 Boar. 1-1 by MR5 Diamondback 43-2 x AC13 NBC 10-8. 270#, .64, 8.20, 1.53. Sold to George Holst, WI. for \$450.

Earp's 3rd Class 1 Gilt. 3-9 by DFD3 Graffiti 3-12 x BUL3 Black Jack 2-9. 240#, .52, 8.00, 1.51.

Wedekind's 5th Class 3 Boar. 26-1 by MMB5 Mountain 18-11 x 2 Black Ice 3-4. 315#, .75, 9.00, 1.61. Sold to Ron Ellison, MI. for \$550.

Team Purebred Viewpoint

Maintaining our status as positive role models

by Shari Sell
Team Purebred Junior Coordinator

What is a role model? Is it that person who has done everything for you in life and let you slide by with ease? Is it the person who made you work every step of your life to get where you are? Or is it the person who helps you when needed, but then pushed you to try it on your own; always picking you up when you fell too hard? The dictionary defines a role model as "someone worthy of imitation; every child needs a role model."

Growing up in the show ring, I've witnessed some of the most amazing interactions between adults and children. I've seen parents, grandparents, retired breeders, retired judges, feed salesmen, boar studs, and hundreds of other interested people volunteer their time and money to help the kids involved in these youth organizations. They sit patiently while kids work their reasons, they listen and prod during skill-a-thons, they cheer and clap when someone they know wins an award and they still cheer and clap when someone they know simply gets a participation ribbon! These people are amazing. Not only the grown-ups but the kids themselves are just as promising.

One of my most memorable moments this summer was at the World Pork Expo Junior Event as I sat outside the barn after the showmanship contest. A family who has been very active in the show ring came walking out carrying their ribbons and awards. The only problem was that one of the two little girls was crying and appeared to be very upset. Her sister had gotten three awards that day—and she had gotten none. Her parents were busy talking about the day's events and as they continued walking, the sister with the trophies stopped, set down her awards and stared at them intently for a moment as her disappointed sister looked on. She then picked one up and handed it over saying, "Here, you can have this one; you worked just as hard as me!" Immediately this shocked look came over the younger sister's face as she quickly retrieved the trophy and hugged her sister. The girls caught up with their parents and walked the remainder of the way to the truck happily holding hands. Amazing.

Now, that's what a role model is to me—someone who worked super hard for her own trophies but is willing to share to make another person happy. Sure, she might have gone through the trophies carefully and figured out which one meant the least to her and then given it to her sister—but still—how many of us would have done the same? Kids have this amazing ability to rebound from disappointment in what seems like ten seconds. They're at the show to have fun—to meet up with friends they haven't seen since the last show and to run around the barn in flip flops and play football in the ring. They are there to eat ice cream, to dress up for show day and to help hand out ribbons. The older kids are there to compete; but they're also there to meet up with friends, to run around the barn playing football and to eat ice cream with friends. If this is all true, then what are parents there for?

For some adults, there seems to be too much focus on "the win" and they've forgotten why they come to these shows in the first place. Remember why we travel hundreds of miles and spend hundreds of dollars on a project which, more than likely isn't

going to make us much money in return. We do it for the kids—and only for the kids. It's not for the glory—it's not so we can rub the victory in our neighbors' faces. It's so that we can see the look on those kids' faces when they get recognized for their work—whether it be a 7th place ribbon or a 1st.

Unfortunately, over the last 23 years of my life, I've seen much the opposite type of behavior from parents. And the kids I see it from act much like the parents they've been watching their entire lives. You all know what I'm talking about—the parents who storm away from the ring when their kid gets 3rd, the parents who throw things down the aisles, and the parents who try to load their trailers immediately after losing with the "pig that should have won the whole show." I've heard over and over again how it was someone else's fault that their pig didn't do as well as it should have. So be it. Oh well. It's one judge's opinion—on one day—at one show—one summer of your entire life. Seems pretty insignificant in the grand scheme of things doesn't it?

I challenge you—the adult and/or parent—to watch your behavior next time you're at a show. Be sure you're standing ringside to greet your child as they walk out of the ring—whether it is from the 10th hole or the 2nd. I challenge you to tell them what a great job they did showing, to hang that 10th place ribbon up behind their pens and to take your kid out for pizza afterwards. I challenge you to encourage your kids to stay at Summer Type Conference and participate in the judging and skill-a-thon contests that last day. You're there already; why not take a shot at winning a ribbon?

You've got nothing to lose and everything to gain from these experiences. I'll be the first to admit that, as a parent, you probably don't always get listened to, but you DO always get watched. Be a positive role model and help your children succeed. Go to the Team Purebred website (www.teampurebred.com) and look up the skill-a-thon resource websites I've posted. Go over some things with your child so that next time, that 7th place ribbon can be a 1st. Don't just complain that the test was too hard or the questions weren't right; do something to help them!

And next time you want to leave early because you've got so much work to do at home, I challenge you to take a minute and look at how much fun your child is having at the event. Let them absorb the junior event experience for a while. Believe me, the grown-up world comes way too fast and they only get to be kids once. The events they go to now can shape the way they feel about the agricultural industry forever. Help the memories be positive ones and allow yourself to be that positive role model every child needs. Continue checking the website for entry forms, show rules and regulations and schedules, along with pictures! Safe and successful travels to everyone—see you at the next show!

Team Purebred Junior Board Viewpoint

Team Purebred hits a GRAND SLAM!

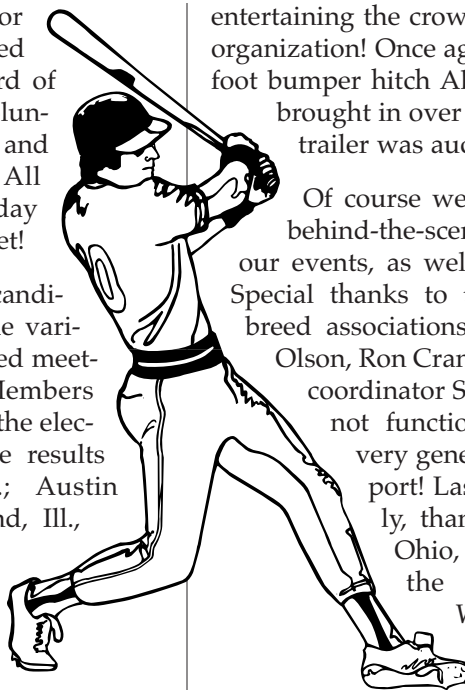

by Hope Ballman-Coffey
Team Purebred Board President

Opening day of the 2007 National Junior Summer Show for Team Purebred proved to be a beautiful one! The Junior Board of Directors and other Team Purebred volunteers arrived in Springfield on Monday and Tuesday to prepare for the event. All exhibitors were in place by Wednesday morning and ready for the best show yet!

Throughout the week, junior board candidates campaigned and helped with the various activities. The annual Team Purebred meeting was held Thursday evening. Members enjoyed pizza and conversation before the elections. The votes were tallied and the results showed that Kim Stassen, Minn.; Austin McCasland, Okla.; and Kate Wedekind, Ill., would be joining the Team Purebred Board line up. Congratulations to these individuals on their accomplishments! Elected to lead the junior board this year are as follows: president—Hope Coffey, Ky.; vice president—Jeremy McCasland, Okla.; and secretary—Daniel Hays, Okla.

With so many contests going on at once, the National Junior Summer Show is a difficult task and would not be possible without the numerous volunteers who graciously gave up their “vacation” time to help Team Purebred. First of all, we would like to thank all of the volunteers that showed up to help with the skill-a-thon and judging contest. Also, thanks to Vicky Becker for taking care of the silent auction this year. It was a HUGE success. Special thanks to Brian Arnold for demonstrating the novice judging clinic and contest. Thank you to Kevin Wendt for auctioning the Foundation Female and to Howard Parrish for auctioning the Website Banner Advertisements. This banner auction fundraiser was all new in 2007 and was very successful, raising over \$5,000 to sponsor Team Purebred events! Also new this year was the adult showmanship contest. We would like to thank all of the anxious voters as well as the participants for

entertaining the crowd and raising over \$500 for the organization! Once again this year we raffled off a 12 foot bumper hitch Alum-line trailer. This fundraiser brought in over \$5,000! The lucky winner of the trailer was auctioneer Kevin Wendt.

Of course we cannot forget about all of the behind-the-scenes workers who make each of our events, as well as our organization possible. Special thanks to the adult advisory board, the breed associations, Amy Smith, Jack Wall, Julie Olson, Ron Crane, and most certainly our junior coordinator Shari Sell. Team Purebred would not function as smoothly without these very generous individuals and their support! Last, but perhaps most importantly, thanks to our judges. Jim McCoy, Ohio, and Jerry Reid, Mo., evaluated the showmanship contests and Warren Beeler, Ky., and Steve Nichols, Ohio, evaluated the barrow and gilt shows. Team Purebred would also like to

thank Steve Mapes for helping judge the photography contest and for taking pictures throughout the week.

All in all, I would say the 2007 Team Purebred National Junior Summer Show rivaled the World Series! Many new friends were made and Team Purebred is looking forward to next year! Remember to make your plans to attend the 2008 event and to bring a friend!

For complete show results and more information on becoming a junior board member for Team Purebred, please visit www.teampurebred.com. Feel free to contact any junior board member at anytime and we encourage you to strive to become a board member some day! We look forward to seeing you at other Team Purebred events. Best of luck to everyone at fall shows and in school and remember, no matter what you are doing, “SWING FOR THE FENCES!”

Mountain

High Selling Spot Boar, 2006 SWTC

Spot bred by Mike and Ron Brown (Vision x Goldberg)

Here is a Spot boar that combines power, style, flexibility and muscle like no other. Mountain is a mile high, long as the Rockies with huge bone. This boar will usher in an era of wider based, heavier boned, deeper bodied, bigger ribbed hogs that maintain the extension, soundness and muscle expression needed for competitive Spot hogs. Record Selling Berkshire

*Berkshire bred by CC Berks
(Ring of Fire x Blacksmith)*

What kind of Berkshire boar is worth a record selling \$20,000? The answer is, of course, the best Berkshire boar ever!!! He is blown apart with phenomenal base width, and more muscle shape and expression than we've ever seen. Tremendously square hip, super stout bone, with a sharp, clean neck and head.

Team Purebred Fundraisers A SUCCESS!

Team Purebred held their first annual Website Banner Ad Auction this summer in Springfield. Thanks to the following buyers:

Al & Kandy Schminke
Schafer Stock Farm
Matt & Tammy Miller
Masters, Reid & Collins
Poland China Record Association
Certified Pedigreed Swine
Triple B Sires
Rice Polands
Showpig.com
Touch of Class Bred Sow Sale
Goodnight Family Farms

Team Purebred's annual Silent Auction raised an impressive \$2,900 for the organization. A huge thanks to the donors, bidders and buyers.

Thanks to the "willing" participants in Team Purebred's Adult Showmanship Competition. This event was a fundraiser for Team Purebred and a very humorous and entertaining time.

Team Purebred participants that received a \$100 buying credit at the 2007 STC. Congratulations.

**J.R. Beatty Memorial
Herdsman Award**

Congratulations to Ashley Ballman, Leitchfield, Kentucky, who was the recipient of the 2007 Team Purebred J.R. Beatty Memorial Award presented in Springfield, Illinois. Selected by the Team Purebred Junior Board of Directors, Ashley was extremely helpful, and assisted in many ways with all tasks needed. She received a \$250 buying credit to be used within the next 12 months at any CPS or ABA sponsored national show. Congratulations, Ashley, and thanks for your hard work.

Berkshire Viewpoint

Things that Make you say HMMM!!

by Amy Smith
American Berkshire Association Secretary/Treasurer

I want to begin by talking about Summer Conference—and what a Conference it was. Except for the torrential downpours one afternoon, we couldn't have asked for better weather at the 2007 Summer Conference with below normal temperatures and humidity. Overall, the Berkshire hogs were a great set. I commend Berkshire breeders for making Berkshire hogs better.

I also want to commend Shari Sell and the Team Purebred Junior Board of Directors. This was Shari's first Summer Conference and she did an outstanding job. Between Shari and the Junior Board they kept the events organized and everything running smoothly. If you have not attended the Summer Conference, I recommend you mark it on your calendar for next year. It is a great family event. I also want to welcome the new Adult Advisory Board member, Rhonda Armstrong, and the new Junior Board members, Kimberly Stassen, Kate Wedekind, Austin McCasland, and Ashley Ballman.

We had a great Foundation Basket auction before the annual meeting. Thanks to everyone who donated or purchased baskets this year. I also want to commend Berkshire breeders for voting to change an obsolete voting procedure that enabled the voting to go very smoothly this year. Welcome to Shane Butcher who was elected back to the board as well as the newly elected board members, Ed Heady and Steve Stassen. Both of these gentlemen served on the ABA Board in the past and have the Berkshire breed in their hearts. I think we have an outstanding board this year and I look forward to working with them.

I've been pondering some things since World Pork Expo and Summer Conference. I'm going to share some of the things that have me a bit concerned.

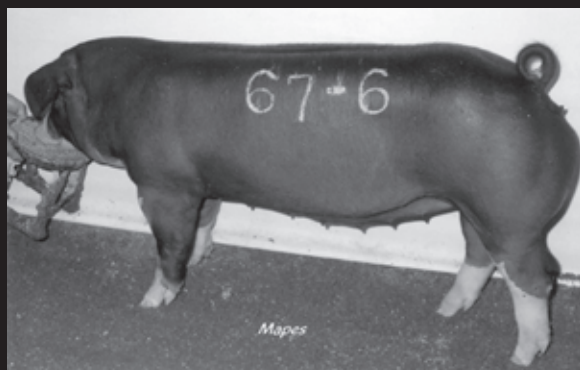

❖ **Feed Additives:** I know there are a lot more feed additives out there than Paylean...and I'm sure we don't know all the effects—especially when more than one is mixed together. There seems to be too many pigs that are lame, go down or even die. I don't think the HAL 1843* "stress" gene is the cause of this. I think a pig's body reacts to too many additives the same as a human's body does to too many diet pills.

❖ **Stealing and Vandalism at Shows:** Two years ago the ABA and CPS signs were stolen. This year, over \$500 damage was done to an exhibitor's booth. I've heard rumors of who the culprits were in each case and I am greatly disappointed in these individuals/groups. Who is teaching these people that this behavior is OK? Is this how you remember a win or revenge an argument? I hope each person involved thinks hard about what they have done, comes forward and takes responsibility for their actions, and pays for all damages.

❖ **No Sales and Purchases in the Barn:** Last year we could sell almost every Berkshire gilt in the barn. This year, the sales haven't been as good. I know that fuel and feed prices have a lot to do with that. I want to address the people who do purchase in the barn, instead of through the sale. I realize there may be reasons to do so—such as you missed an animal when it came in the ring or you wanted to bid on a later animal and after not getting that one purchased, you wanted to buy one that didn't sell. However, I want you to reflect on the value of buying through the sale. First, all animals that take a picture with Steve Mapes will be placed in the sale report in the magazine with the buyer's name listed. If no photo is taken, your name is still listed in the show report—free advertising. Also, buying during the sale supports the Association and enables us to provide more services and support to you, the breeders. I hope each breeder takes time to think about the value of their genetics. I would encourage breeders to not sell hogs in the barn for less than the floor price during the sale. I also want everyone to reflect on what the sale report and no sales say to someone interested in getting into the Berkshire business. I'm sure at least 20 hogs sold in the barn after the Summer Conference sale. How would this change the sale report if 20 less no sales were listed?

I'm not sure what all the answers are, but hopefully you will take some time to reflect on these issues and discuss them with your family and fellow breeders.

The Most Powerful Results Are Always BLACK & WHITE

Thank you to Jerry Reid, MO, on his selection of the 2007 STC Grand Champion Gilt (Masterpiece x No Doubt's sister). This foundation sow will only add to the depth of his exceptional sow herd. Study her picture. She could well be the best one I have let go of in years!!

The Guy Heldermon Family, OK, selected the 2007 WPX Champion Female to add to their impressive sow lineup. This outstanding foundation female is sired by No Doubt and out of a Creation dam. A problem-free female that has width, bone, muscle and soundness in one package. Thank you for your confidence in our program.

Congratulations to Bryce Masters, AR, on exhibiting the 2007 WPX Junior Show Reserve Champion Poland Female.

Congratulations to Justin Gosnell, OK, on exhibiting the 2007 WPX Reserve Champion Poland Barrow sired by No Doubt.

Congratulations to Carrie Rhoades, IN, on exhibiting the 2007 STC classwinning barrow sired by No Doubt.

Congratulations to Matthew Howeth on exhibiting the 2007 STC Reserve Champion Junior Show and Reserve Champion Open Show Gilt sired by No Doubt and bred by J.R. Reid.

No Doubt ABOUT It

IT IS A FACT: The No Doubt influence has dominated the show ring in 2007.

As you look to 2008, look to No Doubt and Perfect Timing and High Definition (sons of No Doubt) for your show prospects!

Call today to make an appointment or place your order. All selections are satisfaction guaranteed.

2007 San Antonio Champion Poland Barrow
Sired by No Doubt and shown by Emily Fouts, this Masters-bred barrow is just the beginning of national success you'll see from No Doubt.

We will offer a great selection of July, August and September show prospects at the farm and at many fall sales across Texas and Oklahoma.

2007 BERKSHIRE WORLD PORK EXPO

Iowa State Fairgrounds - Des Moines, Iowa

June 7-9, 2007

The 2007 World Pork Expo was quite a success. A big thanks goes out to Ty Engnell on doing a great job sorting through the 68 head of animals that the exhibitors brought to the show.

There were several nice hogs shown by one young man that when he loaded the trailer he did not come to get beat. That young man would be Brice Conover. Brice walked away with our Reserve Boar Honors as well as Premier Breeder, not to mention he also had Premier Sire with BCGW5 Timber 30-1. Congratulations Brice on a nice set of hogs.

Another firm that loaded a really nice set of gilts was the Shaffner Family. Ken & Julene brought 3 really nice gilts. One was champion gilt, the other two were the champion and reserve bred gilts. He did not stop there, they also had the Reserve Premier Sire ERCS6 Illini Pride 3-6 which he owns with Wabash Valley. Congratulations guys.

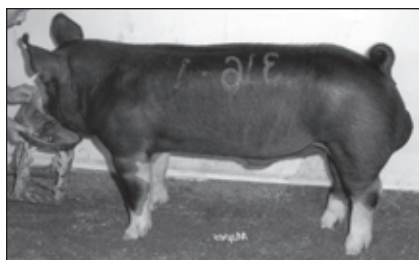

The Tuthill Family brought a very powerful set with them and took home the Reserve Premier Breeder Award.

We exhibited 26 boars on Friday and one came to the top really easy. A January 11th son of CC5 Blacksmith 28-1 which was exhibited by Hailey Robinson of El Reno, Oklahoma. Guys, keep up the good work making Berkshires better in Oklahoma. You brought a really nice champion.

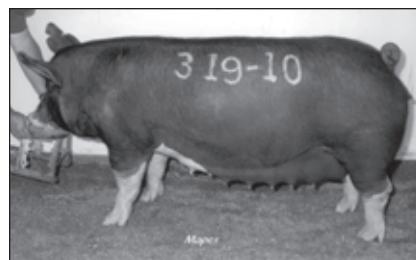

A big thank you goes out to the Lakeland Community College Judging Team for helping in the ring. We appreciate it greatly. Also I would like to thank Amy Smith, Kevin Wendt, and Bob Dagget for all their help at this show. Without these people the show would not have been such a success.

The Berkshire Premier Breeder Award was presented to Brice Conover of Baxter, Iowa. Congratulations, Brice, on another great showing.

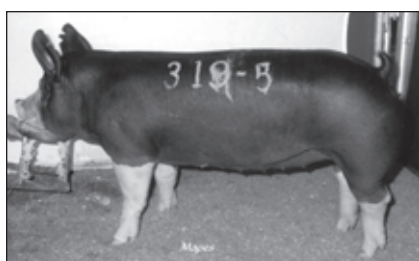

Robinson's 1st Class 1 & Champion Boar. 1-1 by CC5 Blacksmith 28-1 x NWS1 Jailhouse Rock 1-5. Sold to Breeders Choice, OH. for \$850.

Shaffner & Wabash's Champion Bred Gilt. 41-6 by KSWV3 Major Move 6-8 x KSWV2 Prime Star 9-9. Sold to Angie Satterwhite, CO. for \$850.

Brice Conover picked up the Premier Sire Award on progeny sired by BCGW5 Timber 30-1.

Attention 2007 Fall Classic Exhibitors

All exhibitors that enter the 2007
Fall Classic in Duncan, Oklahoma, on
November 14-17 are required to have a
Premise ID number.

This Premise ID number will be a
requirement on your health certificate.

Please contact your local veterinarian
and state animal health board to get your
herd and premise enrolled.

Do not expect to transport your pigs to
Duncan, Oklahoma, to the Fall Classic
without a Premise ID number.

The Stud Is Back!

This is the beginning of the Resurrection.
T.V. Stud has sired a fine set of pigs on an
ISU Old School sow, one of several pur-
chased last summer from Richard Ritter.
Thanks, Rich, for an awesome set of gilts!
She is well-balanced, productive and
sound. Her first litter, sired by a Kahuna
grandson, was 13 born, 12 live and 12
weaned. We bred her back to T.V. Stud
and she had 14 born, 13 live on 7-16-07!
Can't ask for more than that! Watch for
future mailings for sale dates.

RESURRECTION**

PHENOTYPIC ACRES, INC.

As we Berkshire breeders contemplate our future, I am so optimistic about the opportunities awaiting us. Obviously we have challenges in meeting these needs, however, if we are honest with ourselves, I am convinced we will be successful. As I have been lamenting in our recent ads, we need to work on reproduction. Because of its low heritability, genetic progress will be slow. Therefore, it behooves us to very accurately assess all reproductive traits so that whatever contributions to genetic progress are forthcoming, are done as efficiently as possible. With these thoughts, we continue to evaluate all reproductive components as carefully as possible in our herd so as to provide the best products possible. Our boar pictured is our leading sire in overall production, and if we can provide you with seedstock that will advance your herd, please give us a call.

You start with the best genetics, but even that isn't always enough. We know that the edge you need to win comes with using only the best research proven products to sculpt your pig for the winner's circle.

Sculpt Your Pig to Win.

MoorMan's® ShowTec® MoorBody™ (Product # 12111AAA15)

MoorBody is the newest innovation from MoorMan's ShowTec and is specifically formulated to provide highly saturated fat as well as citrus and beet pulp to enhance show pig fill and expression. Every pig is unique in its genetic characteristics and needs a feeding program sculpted to its specific needs to help express its potential to become a champion. MoorBody is yet another tool from MoorMan's ShowTec to utilize in sculpting your winning pig. MoorBody is intended to supplement other MoorMan's ShowTec products such as MoorMan's ShowTec Developers and Finishers, MoorMan's ShowTec Pig Navigator, and MoorMan's MoorFat™ enabling you to customize each pig's feeding program for a champion finish.

2007 BERKSHIRE SUMMER TYPE CONFERENCE

ILLINOIS STATE FAIRGROUNDS - Springfield, Illinois

JUNE 27 - 30, 2007

Good Weather and Great Berks in Springfield, Illinois

The weather might have been the nicest it has been at a Summer Type Conference in a long time. Along with the extremely nice weather, the hogs were much the same as the weather.

Let me start by saying this might have been one of the deepest set of boars to date. We sold 21 boars at a \$1,394.00 average. The two boars that came to the top were two extremely good breeding hogs that will definitely get a chance to prove their potential at two different boar studs. The champion came from Brice Conover and went to Triple B in Oklahoma. The reserve came from Black Spring Farms and stayed in Illinois at Prairie State. I would like to thank Randal and Jon for supporting our breed by buying two really good boars.

The gilt show went much the same as the boars did with Brice Conover having champion and Black Spring Farms with reserve, two exceptional gilts that will be a great asset to the breed. We had one of the biggest bred gilt shows we have had in a while at Springfield, Illinois. The quality was tremendous and the sales were great. Congratulations goes to Shaffner & Wabash Valley on the very well balanced broody champion and to Doc Roc on a really nice designed female for reserve.

Once again Brice Conover goes home with Premier Breeder and Premier Sire Awards. The Premier Sire was BCGWS Timber 30-1 a home-based boar of Brice's.

The Reserve Premier Sire Award went to a boar with Royalty in his family. PSSS Ego Trip 3-2 owned by Prairie State and litter mate to History Maker the record selling boar a year ago.

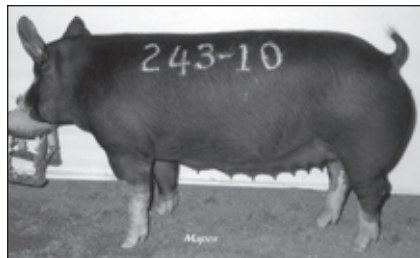

A big thank you goes out to Kevin Wendt on doing a tremendous job putting the hogs together and getting them sold, also thanks to our Queens; Miss Pilcher and Miss Stassen, Ron Crane, Jack Wall and all the ring help. Thanks to everyone for making this show such a success.

Brice Conover of Baxter, Iowa, was the recipient of the Premier Breeder Award at the 2007 STC. Kim Stassen, Minnesota Berkshire Queen, and Katie Pilcher, Illinois Berkshire Queen, add beauty to this photo.

Conover's 1st Class 2 & Champion Boar. 11-7 by BTC5 Kindergarten Cop x CCV3 Fort Knox 12-3. Sold to Triple B Sires, OK. for \$7500.

Shaffner & Wabash's Champion Berkshire Bred Gilt. 3-2 by KSF4 Major Move 16-8 x KSWV0 Prime Time 8-5. Sold to Black Springs Farms, IL. for \$400.

Conover's 1st Class 4 & Champion Open Gilt. 1-4 by BCGW5 Timber 30-1 x MFB1 Break Out 81-1. Sold to Todd Harvey & Family, IN. for \$3750.

The 2007 STC Premier Sire Award was presented to Brice Conover on progeny sired by BCGW5 Timber 30-1.

Black Springs Farms' 1st class 6 & Reserve Champion Boar. 2-4 by CLG5 Wild Willy 11-1 x MCN9 RU Ready 11-6. Sold to Prairie State Semen, IL. for \$800.

Black Spring Farms' 2nd Class 4 & Reserve Open Gilt. 4-8 by CC6 PSSS Ego Trip 3-2 x LSF2 Aces and Eights. Sold to Ken Brattain, IN. for \$800.

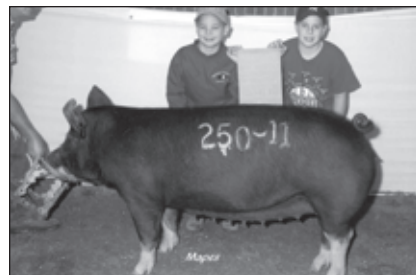

2007 BERKSHIRE SUMMER Type CONFERENCE

Shaffner Berkshires of West Union, Illinois picked up the Reserve Premier Breeder Award. Congratulations.

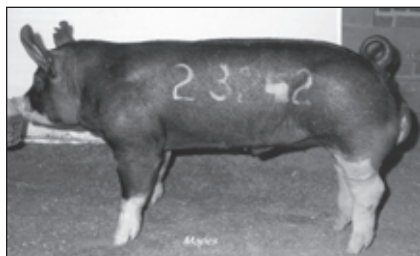

Prairie State Semen, represented by Brandon Ogle, collected the Reserve Premier Sire Award on CC6 PSSS Ego Trip 3-2. Good job, crew.

Webster Bros. exhibited the Reserve Champion Bred Gilt. 1-4 by ERC55 PSSS Super Size x CHG4 Flash Flood 1-3. Sold to Ryan Keyser, IL. for \$450.

Something Special in Springfield

"We are proud to have our daughter, Kimberly, elected to the Team Purebred National Junior Board. Kimberly is excited about the opportunity to serve with her fellow junior members and looks forward to a productive year for Team Purebred.

I would also like to thank the people who elected me to the American Berkshire Association (ABA) Board of Directors. I will try to promote every function that the ABA represents to its membership."

Our WPX Champion & Top-Selling Gilt sold to Richard and Matt Ritter, IA, for \$1,100. Thanks to the Ritters and to all for the many compliments on this female.

All Natural — No Fancy Feeds, No Pampering — Just Great Genetics!

This gilt, sired by KSWV4 Prime Time 47-4 and out of a KSWV2 Prime Star 9-9 dam, is a full sister to the KSWV Prime Time boar standing in Brice Conover's herd. Brice purchased him from us at the 2006 WPX and he says everyone who sees him is impressed, and this boar will be used more in the future.

P.S. — The Champion Gilt has excellent meat quality potential with a 4.73 IMF score.

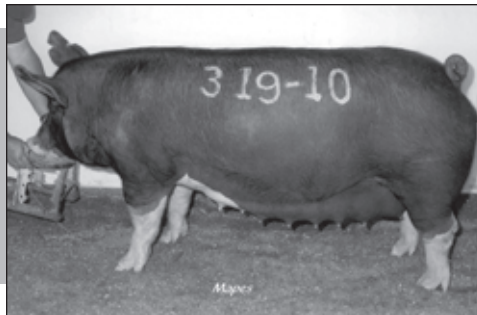

WPX Champion & Top-Selling Gilt

WPX SUCCESS

Thanks also to Nathan Chapman, CO. for his \$475 purchase of our Reserve Champion Bred Gilt, and thanks to James Ureche, MI, for his purchase of our 3rd place class 3 gilt by Illini Pride.

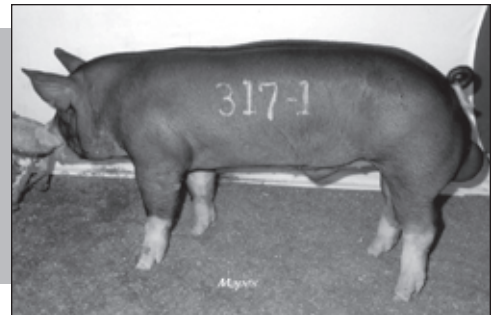

FLASH: Illini Pride was the Reserve Premier Sire at the 2007 World Pork Expo from his first crop.

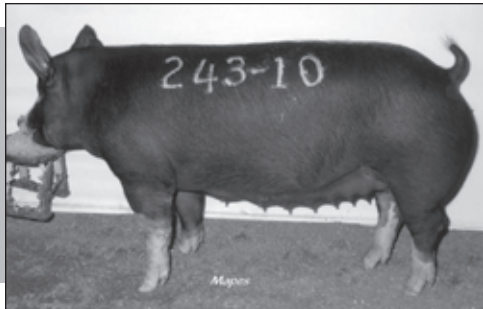

WPX Champion Bred Gilt

Sired by KSWV3 Major Move 6-8 and bred to Illini Pride 3-6, the 2006 STC Champion. Thanks to Angie Satterwhite, CO, for her \$850 purchase.

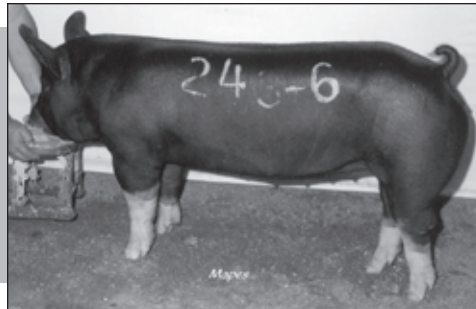

We found a new herd boar at WPX!

This December boar weighed 320 lbs., .65 BF, 8.9 LEA, 1.76 WDA and 3.87 IMF. He's continued to do well since arriving at our farm. Bred by Eric and Lizzie Schafer, his mother is also the mother of Illini Pride, but bred totally different on the top side. Sired by CHG5 Powder Keg 2-1, the \$5,300, 2006 SWTC Champion.

STC Champion Bred Gilt

Sired by KSF4 Major Move 16-8. Thanks to Caleb Brink, Black Spring Farms, IL, for his purchase of this champion.

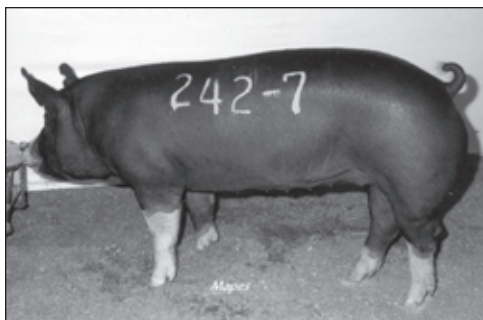

STC 2nd Place Class 5 Gilt

2007 Chester White World Pork Expo Report

More Depth — More Quality — More Often

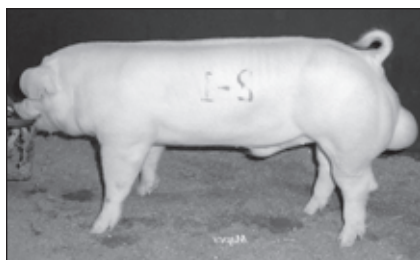

Chester White breeders continue to impress ring side observers no matter the location. The 2007 World Pork Expo Chester White breeding stock show held June 8 & 9 in Des Moines, Iowa, gives more credibility to the fact that Chester White genetics are strong, deep, varied in phenotype, but consistently good in quality. Chester White boars and gilts that were structurally correct on their feet and legs, different in their genetic makeup, but far reaching in their potential, were assembled in Des Moines, Iowa.

Ryan Sites was again given the task of judging Chesters and Mr. Sites stressed balanced, correct body mass, bone, rib, frame size and proper muscle content. Schminke's 1st Class 1 son of Money Maker was selected as Champion Boar. This young, long sided, immature, complete, well balanced boar sold to Shaffer's Gold Rush for \$2500. I bet he'll be in lots of good hog's pedigrees the next several years. Parkison & Rodibaugh's 1st Class 4 son of Heartbeat was selected Reserve Champion. This extra long bodied, thick and yet square hipped boar, who was also immature in his makeup, sold to Casey Olson for \$1000. Bradley Hall stood 1st in Class 3 with a wide based, muscular, bold topped son of Explosion. Armstrong's were 1st and 2nd in Class 2 with sons of New Deal. This class winner was most likely the deepest, biggest, middled hog shown while still stout and flexible. He sold to Michael Gilster for \$350. The second place boar looked like a herd boar. This masculine fronted, big bladed, wide centered, massive guy sold to Center Prairie Genetics and Smitty's Chesters for \$1400. Norman's stood second in Class 1 with a stout, power hog sired by L.L. Bean, selling to Flatland Chesters for \$400.

Rasmussen's 2nd Class 3 son of Heartbeat was tall fronted, extra lean and great underlined. Reinick's 3rd Class 2 son of 12 oz. Curls was from a powerful litter. This extremely muscular boar had great shape, profile and structure. He sold to Parkison & Rodibaugh and Rasmussen for \$2500. P&R's 2nd Class 4 son of Wide Power was another long bodied, long boned, big bodied, big topped (11.2 LEA), selling to Gary Hellebust for \$750. P&R was also 3rd in Class 4 with another Heartbeat son. This one was extra long sided, level and fast growing, selling to Wade Miller for \$700.

Perhaps the longest bodied, tallest fronted boar was Wingo's 4th Class 2 son of White Out, selling to Rob Heindel for \$350. Koscelny's were 3rd in Class 1 with a big scaled, muscular, long jointed son of Just Cause. Reinick's were 5th in Class 2 with a littermate to the 3rd place boar. This extremely big hipped, bold topped boar sold to Armstrong's for \$850. Additional herd boars selling were consigned by Perry, Holton & Newby, Purebreds Plus and Koscelny.

An excellent set of Chester open gilts were topped off by Reinick's Champion by 12 oz. Curls. Winning Class 2, this long bodied, level, feminine, tall fronted, muscular female sold to Hirshfeld & Sons for \$1900. P&R's 1st Class 3 daughter of Heartbeat took home Reserve honors. Being especially long faced, long sided, flat boned, level and sound will be traits that Reinicks will utilize at \$800. The 1st place Class 4 gilt was an interesting breeding piece. Exhibited by young Aaron Kerlee of California, this Big Cat daughter was as sound as you can make one, heavy boned, long bodied, and big

Schminke's 1st Class 1 and Champion Boar. 5-3 by SC5 Money Maker 5-3 x RPS3 Grand Drive 31-2. 290#, .67 BF, 8.00 LEA, 1.72 WDA. Sold to Shaffer's Gold Rush, IN. for \$2500.

P&R's 1st Class 4 and Reserve Boar. 73-3 by P&R5 Heartbeat 95-4 x BGF2 Power Play 1-4. 365#, .85, 9.50, 1.58. Sold to Casey Olson, KS. for \$1000.

Reinick's 1st Class 2 and Champion Gilt. 12-7 by 4 12 oz. Curls 1-12 x RCW4 The Best 22-1. 280#, .57, 9.10, 1.51. Sold to Hirshfeld & Sons, NE. for \$1900.

P&R's 1st Class 3 and Reserve Gilt. 86-4 by P&R5 Heartbeat 95-4 x SC0 Echo 49-4. 255#, .64, 7.00, 1.30. Sold to Diamond Livestock, CO. for \$900.

Hall's 1st Class 3 Boar. 4-4 by LB5 Explosion 14-1 x AKF4 PSSS Generator 4-9. 265#, .37, 8.00, 1.36.

Armstrong's 1st Class 2 Boar. 40-2 by AC5 New Deal 9-1 x RCW2 Dimension 114-4. 360#, .84, 9.00, 1.99. Sold to Michael Gilster, WI. for \$350.

2007 Chester White World Pork Expo Report

ribbed. She was one of several elite gilts purchased by James Brooks at \$1000. The 1st Class of gilts was topped by Brianna Robinson on a daughter of Hooray. Appreciated for her length, levelness, femininity and soundness, she was purchased by Larry Bowers for \$300. P&R's 2nd Class 3 daughter of Heartbeat was another long bodied, heavy boned female selected by Brooks for \$750. Kerlee's 2nd Class 4 daughter of Big Cat had power, rib and bone, selling to Brooks for \$900. Reinick's 2nd Class 2 gilt (littermate to the 3 other hogs mentioned) was complete, balanced, and mobile. She went with her sister to Hirshfeld for \$1000. Koscelny's 2nd Class 1 daughter of Just Cause was one of the wider hipped, bolder ribbed, productive females exhibited, selling to Mike & Ron Brown for \$300.

Rasmussen's 3rd Class 3 gilt by Classic was stout and deep, selling to Brooks for \$400. Beaver's 3rd Class 1 daughter of 4x4 was one of the more attractive profiling, sound and heavy based females driven. She was purchased by Vernon Hawthorne for \$350. The final P&R gilt (3rd in Class 4) had lots of friends. This Wide Power daughter was big, bold, and muscular. James Brooks purchased her for \$1300. Additional popular gilts selling were consigned by Rasmussen's, Bartholomew, McCullough & Underwood, Perry, Koscelny, Rudasill & Rake.

The strength of the 2007 World Pork Expo Show, in my opinion, was the extreme depth of quality and phenotypic differences available. I am confident that the set of hogs sold on June 9, 2007 in Des Moines, Iowa, will significantly impact future Chester White progress. Congratulations to the consignors and to the buyers.

Kerlee's 1st Class 4 Gilt. 2-3 by KTF5 Big Cat 1-2 x AKF4 PSSS Generator 4-9. 415#, 1.09, 12.80, 1.69. Sold to James Brooks, OK. for \$1000.

P&R's 2nd Class 3 Gilt. 86-3 by P&R5 Heartbeat 95-4 x SC0 Echo 49-4. 280#, .74, 6.60, 1.43. Sold to James Brooks, OK. for \$750.

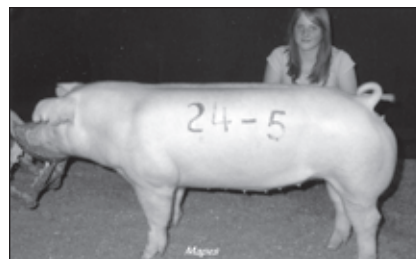

Armstrong's 2nd Class 2 Boar. 36-5 by AC5 New Deal 9-1 x COR13 Rescue 18-9. 345#, .91, 9.60, 1.85. Sold to Center Prairie Genetics & Smitty's Chesters, IL. for \$1400.

Norman's 2nd Class 1 Boar. 3-1 by GN6 L.L. Bean 32-8 x LBF2 Enthusiastic 2-7. 280#, .83, 9.30, 1.85. Sold to Flatland Chesters, IA. for \$400.

Reinick's 3rd Class 2 Boar. 12-6 by 4 12 oz. Curls 1-12 x RCW4 The Best 22-1. 295#, .62, 9.00, 1.59. Sold to Parkison & Rodibaugh, IN and Rasmussen Swine Farm, SD. for \$2500.

Reinick's 2nd Class 2 Gilt. 12-8 by 4 12 oz. Curls 1-12 x RCW4 The Best 22-1. 260#, .54, 7.50, 1.40. Sold to Hirshfeld & Sons, NE. for \$1000.

Stop And Analyze This Pair

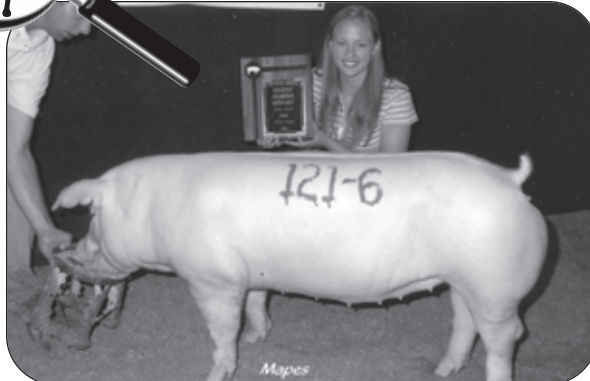

2007 STC 2nd Class 1 Boar

Thanks to Ronnie Perry, Patrick Creek Farm, and Calvin Schroeder for your \$1200 purchase of "Wheels." Sired by the 2006 Illinois Champion, Wheels combines extra bone, width, soundness and structure in a fault free package.

Thanks to Ross & Brett Taylor, OK, for selecting our 1st Class 1 daughter of GN Champ x Easy Out at Springfield. A littermate to "Wheels," she'll get a chance to be a foundation female at Taylor's.

Contact us for your showpig needs this fall.

Congratulations, Ellen Olson

Purchased from us this spring, this Romeo x Ultra daughter was selected as Reserve Champion Gilt in the open show at Springfield. Study her extension of skeleton, femininity and fault free skeleton, and have great faith that Gleason Chesters are right for the times.

COOL COOL DADDY

Bred By Us

Daddy Sang Bass x Fired Up — .47 BF, 7.28 LEA

Purchased by Shaffer's Gold Rush and owned with Todd Harvey and Wade Hendricks, Ind. This was going to be our nomination for Hog College Boar. **Cool Cool Daddy** is a littermate to the 2007 Team Purebred Junior National Grand Champion Berkshire Gilt. A great son of the very popular Daddy Sang Bass, Cool Cool Daddy is bred to sire champion Berkshire barrows and gilts.

Our senior herdsire, Daddy Sang Bass, sired three grand champions, one reserve champion and eight class winners at the WPX and STC junior shows.

A huge thank you to Top Cut Sires, OH, for purchasing this boar for \$6,100.

1st Class 2 Gilt Easy Out x Four By Four

260#, .62 BF, 8.70 LEA, 1.49 WDA

Thanks to Matt and Jared Perry, OK, for selecting this female to add to their herd.

Also thanks to George Holst, WI, for his STC selection of an open gilt by Stone Cold and a boar by Easy Out.

We thank all of the breeders who bid on our pigs and we appreciate the positive comments we received. The pigs we brought to the STC represent the quality we have to offer — not only in the show ring, but also in the farrowing house.

BREEDERS DIGEST for Aug.-Sept. 2007

We congratulate all of the Team Purebred members. These individuals have enthusiasm and pride in their pigs and represent great promise for the future of purebred swine.

To all 4H, Junior and FFA young people who showed this summer, we congratulate you and wish you lasting memories.

Thanks again for a great summer!

Gale Bressner Receives Distinguished Service Award at Chester Annual Meeting

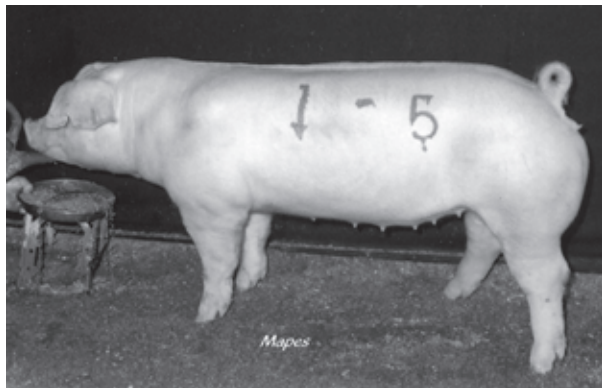

Mr. Gale Bressner of Colfax, Illinois, was the recipient of the Chester White Distinguished Service Award at the 2007 Chester White Annual Membership Meeting on June 28 in Springfield, Illinois.

Gale Bressner and Hedgerow Farms have been strong contributors to the Chester White breed, being pioneers for youth programs, production records, and being great ambassadors to the promotion and selling of outstanding Chester White genetics and show pigs.

Congratulations, Gale, on this well deserved award.

THANKS, CUSTOMERS, FOR YOUR CONFIDENCE

The Next Step For Our Breeding Program

Purchased with Ronnie Perry, OK, and Calvin Schroeder, TX, this boar is aptly named. **WHEELS!** Bred by the Bill Gleason Family, IL, and sired by the 2006 Illinois State Fair Champion Boar and out of an Easy Out 37-4 daughter, **WHEELS** has tremendous foot size and bone work to his skeleton and possesses a powerful muscle pattern. He has the wheels to move you on down the road. **Semen will be available on a limited basis.**

Congratulations to Team Purebred members Andrew Stack and Ryan Michou for their success at the 2007 Houston Livestock Show. Both of these gilts stood second in class and were sired by Best Buy and bred here!

Congratulations to Team Purebred members Lauren Cartwright and Rhiana Michou for their success in the Photography Contest at Springfield. Lauren won 1st place in the intermediate division and Rhiana placed 3rd in the junior division.

2007 CHESTER WHITE SUMMER TYPE CONFERENCE

“The Right White Choice for the 21st Century”

Building a great breed of hogs takes patience, dedication, resolve, ingenuity, and a faith in the future. Chester White breeders have built a breed of hogs that will stand with the best of them. Encompassing strong maternal traits, skeletal toughness, growth, muscle, meat quality with acceptable leanness, and muscle content into one breed of hogs is not an easy task. Congratulations, Chester breeders, you have done it as well as any.

The Chester White breeding stock show at the 2007 Summer Type Conference held at the Illinois State Fairgrounds June 28-30 was a case of depth of quality, a wide variety of genetic composition, and most importantly in this writer's opinion, a sound and problem free set of boars and gilts. Every hog shown offered several positive traits that could enable fellow breeders room to improve. Good hogs and even better people will enable a great amount of progress to result from the selections made in Springfield, Illinois. We'll let the breeders utilize this extremely correct set of hogs and I firmly believe several will be influential in breed progress the next several years.

The Champion Bred Gilt was Ropp's daughter of Ghost Rider. This long sided, level hipped, feminine female sold to Paul Humphrey for \$500. Lessen's Reserve Champion Bred Gilt was a heavy structured, bold ribbed, square hipped female sired by White Out 37-1, selling to Wehner Bros. for \$400.

The Champion Chester Boar was Ryan Pullan's 1st Class 1 son of Super Nova. Excelling in bone, muscle, soundness and balance, he is available for the breed to utilize at Shaffer's Gold Rush, who purchased him for \$2100. Twin Oaks Farm had a powerful set of Chesters at Springfield, including their Reserve Champion Boar by Easy Out. This big bladed, heavy boned, wide chested, square hipped, extra correct boar is available at Top Cut Sires who purchased him for \$6100. Gleason's 2nd Class 1 boar by Champ was the youngest boar shown, but appreciated for his mobility, top shape, bone and forearm. Perry, Patrick Creek Farm, and Calvin Schroeder teamed up to buy him for \$1200. P&R's 2nd Class 2 son of White Out 121-1 was extra long sided, sound, late maturing and balanced, selling to Larry Dunham for \$500.

Perry's 1st Class 3 son of Best Buy will contribute in terms of length of body, frame size, leanness and correctness for Jeffrey Woods, who selected him for \$700. Armstrong's 2nd Class 3 son of New Deal was tall fronted, heavy boned and mobile, selling to Steve Ireland for \$700. One of the taller fronted, bigger ribbed and well shaped boars was Yantis' 3rd Class 1 son of White Out. Lane's 3rd Class 2 son of Sure Shot was one of my favorites for his length, muscularity, soundness and design, selling to Sara Brockman for \$425. Follow up on this one a year from now! Beaver's 4th Class 2 son of High Plains Drifter was a stout structured, bold shouldered boar selling to Neil Albertson for \$1100. Perhaps the heaviest structured boar shown was Norman's 5th Class 2 son of Heartbeat. For body, muscle and bone, this one was hard not to notice. Chalus' 3rd Class 3 son of Woody was a raw made, long spined, extra sound guy selling to Ryan Frye for \$600.

Twin Oaks Farm, Ashkum, IL., collected the Premier Exhibitor Award at the 2007 STC. Congratulations, folks, on a great set of Chesters.

Pullan's 1st Class 1 and Champion Boar. 4-4 by SSS15 Super Nova 149-5 x RPS3 Grand Drive 31-2. 260#, .66, 7.80, 1.68. Sold to Shaffer's Gold Rush, IN. for \$2100.

Twin Oaks' 1st Class 2 and Reserve Boar. 9-1 by AC6 Easy Out 3-11 x MELM5 PSSS Ghost Rider 2-13. 270#, .58, 8.50, 1.63. Sold to Top Cut Sires, OH. for \$6100.

Jim Rodibaugh, representing Parkison & Rodibaugh, collected the Premier Sire Award on winnings by P&R2 White Out 121-1. Congratulations to this firm on yet another outstanding breeding boar.

Yantis' 1st Class 3 and Champion Open Gilt. 1-10 by P&R2 White Out 121-1 x RTS4 PSSS Ghost Rider 1-1. 320#, .81, 10.40, 1.68. Sold to Keith Knauth, IL. for \$650.

Twin Oaks' 1st Class 2 Open Gilt. 4-13 by AC6 Easy Out 3-11 x AKF5 Four By Four 6-10. 260#, .62, 8.70, 1.49. Sold to Matt & Jared Perry, OK. for \$750.

Additional boar buys were consigned by Ropp's, Koscelny, Twin Oaks, Patrick Creek and Perry.

An excellent and especially deep set of Chester White open gilts were offered. Yantis exhibited the Champion from Class 3 with a long sided, stout boned, level hiped, well balanced daughter of White Out 121-1. Keith Knauth made a great \$650 selection. Ellen Olson collected the Reserve Champion award on a daughter of Romeo. This outstanding female was extra long faced, tall fronted, long sided and flexible, selling to Hellebust for \$800. I'll follow her future closely. Gleason's 1st Class 1 daughter of Champ was long bodied, long fronted, tall fronted, shapely and sound. John Taylor made a steal here for \$350. Twin Oaks was 1st and 2nd in Class 2 with Easy Out and Stone Cold daughters. The class winner was bold ribbed with great structure, selling to Perry's for \$750. The 2nd place Stone Cold daughter was thick hiped, heavy boned with proper rib shape, selling to George Holst for \$850.

The top selling gilt was the Daniel Hendrickson Jr. Show Champion that was 3rd in Class 3. This New Deal daughter was extra stout, muscular, wide centered and balanced. She sold to Kent Brattain for \$1900. Ropp's were 2nd in Class 1 with a daughter of Hooray. Bone, depth and soundness will be assets that Steve Ireland will work with for \$475. Danner's were 4th in Class 3 with a muscular, big ribbed daughter of Heartbeat, selling for \$700 to Tom Gilmour. P&R's 3rd Class 2 daughter of The Best offered true skeletal extension, femininity and soundness for Hellebust to work with for \$700.

High quality, problem free, big volumed and practical Chester White gilts were offered all the way through the sale order. I would anticipate that within the next 24 months we'll hear positive success stories on females purchased in Springfield in 2007. These females were the right kind that will be in production for many parities.

A big thank you to Bill Range who professionally and positively handled the judging task at Springfield. Mr. Range's track record of accomplishments is long. The Chester White breed owes a big thanks to Bill Range on his great job at Springfield.

Perry's 1st Class 3 Boar. 19-4 by P&R5 Best Buy 85-2 x GN3 Four By Four 24-3. 310#, .74, 9.10, 1.61. Sold to Jeffrey Woods, IL. for \$700.

Gleason's 2nd Class 1 Boar. 2-1 by GN6 Champ 10-6 x P&R4 Easy Out 37-4. 240#, .41, 7.80, 1.70. Sold to Ronnie Perry, OK.; Patrick Creek Farms, TX. and Calvin Schroeder, TX. for \$1200.

Ropp's 2nd Class 1 Gilt. 1-11 by 6 Hooray 1-2 x GN3 Four By Four 24-3. 250#, .74, 8.30, 1.62. Sold to Steve Ireland, IN. for \$475.

Customer Success Is Our Greatest Reward

2007 Team Purebred Champion Chester White Barrow

Congratulations to Robbie Sheets on your tremendous success with this 5-4 (Money Maker x Grand Drive) barrow purchased here. This family did a great job with this Schminke bred barrow. Keep up the good work!

2007 Team Purebred 1st Class 5 Gilt

Congratulations to Stephen Gentry, IN., on your success with this 7-9 Super Nova x Iceman daughter purchased here this spring. We appreciate your hard work and success you've received with Schminke Genetics.

2007 Team Purebred 1st Class 3 Gilt

Congratulations to David Stanton, OH., on this Schminke bred 12-2 Super Nova x John Deere Green daughter at Springfield. Keep up the good work.

2007 Team Purebred 4th Class 6 Gilt

Cody Iberg, IL., has had tremendous success this summer with this 4-7 Hooray x Grand Drive daughter purchased here. She has been very competitive in the Illinois Show Circuit. Good job, Cody.

'07 STC Champion Chester Boar — 5 Star

A big congratulations to Ryan Pullan, OK., on exhibiting this Super Nova x Grand Drive son to championship honors at Springfield. Produced from a bred gilt sold by us, this outstanding boar now resides at Shaffer's Gold Rush. Congratulations to the Pullans on your success with Schminke Genetics.

'07 WPX Champion Chester Boar — ATM

A sincere thanks to Shaffer's Gold Rush for your \$2500 purchase of this Money Maker x Grand Drive WPX Champion. This young, extra sound, balanced and long sided boar will be a great addition to this elite operation. Call Shaffer's at 1-888-690-2022 to secure semen on ATM. We have retained a powerful littermate to him!

NOTICE: Check out our powerful NBS boar entry by Super Nova. If you want bone and body with a correct skeleton, head to Austin, Minnesota.

'07 STC \$9000 Champion Boar

A sincere thank you to Shaffer's Gold Rush for your \$9000 purchase of this 64-5 High Hope x Oklahoma Bandit stress negative son. He is most likely the best combination of frame size, growth, muscle, bone and balance that we've put together. Call Shaffers at 1-888-690-2022 to secure semen on this popular Champion.

'07 STC Champion Open Gilt

Thanks to Garrett & Amanda Reid for selecting this 63-3 High Hope x Black Ice Champion at Springfield. This big bodied, long sided, sound footed, production hog will contribute better Spots for this progressive herd.

'07 STC 1st Class 2 Boar

Thanks to Marvin Shipley, KS., for selecting this tall fronted, sound, big topped, heavy boned, stress negative son of Move 'N On at Springfield. He got a great home and will contribute to Marvin's successful operation.

We were honored to have received the Premier Exhibitor Award and Premier Sire Award on RRA5 High Hope 67-1 at Springfield. Feel free to contact us on semen on any of our herd sires.

2007 Team Purebred Summer Foundation Female

A sincere thanks to Parkison & Rodibaugh of Rensselaer, Indiana, for your gracious donation to Team Purebred of this outstanding Chester White Bred Gilt at Springfield, Illinois. This 67-3 (P&R4 Wide Power 41-2 x CJR4 Owl 27-7) female is bred to RCW4 The Best 21-4. This tremendous female that represents this great herd and the Chester White breed extremely well was an excellent way to further endorse the Team Purebred organization.

Our thanks again to the crew at Parkison & Rodibaugh for their generosity to Team Purebred.

Thanks to McCleary & Harms, Springtown, Texas, and Norm and Sue Howell, Ohio, for your \$2500 purchase of this "Elite" Foundation Female.
