***REQUIRED: Herd Mark (3 to 4 letters, one-time fee)** \$5.00 _____

Herd Mark Choices: 1. _____ 2. _____ 3. _____ 4. _____

Every member of the American Berkshire Association is designated by their own specific herd mark for doing litter registrations. This helps to identify the breeder of the animal and an example of this is:

IASU7 LION KING 12-2

The IASU stands for the breeder and in this case, it is Iowa State University. The 7 after IASU is the year the pig was born, and Lion King 12-2 is the pig that they raised.
